

The Town of Edinburg has kindly donated the use of the Edinburg Opera House to Theater Shenandoah. Our aim is to use these premises as a community theater providing a location for the performing arts and encourage participation in its activities without exception for race, age, gender or education. To enable this project, we need your assistance.

Are you interested in a Community Theater?

How would you like to be involved?

On stage – Acting, directing, producing, etc.

Backstage – set design, set building, painting, etc.
